

PRODUCT CATALOGUE

Wawel is one of the most famous producers of sweets in Poland. The history of our brand dates back to 1898, when Adam Piasecki founded his first confectionery in Krakow. To this day, our products are a symbol of

royal quality and *noble taste*.

WE EXPORT TO

OVER 50 SUPERMARKET CHAINS

OVER 60 COUNTRIES

6 CONTINENTS

AROUND 100 DISTRIBUTORS

The factory is equipped with world-class technological lines and operates according to manufacturing technologies and processes that meet requirements imposed by all applicable quality standards. The same care for the highest quality applies to the brand's latest products as to those that have been made for decades, according to traditional recipes.

The strenght of Wawel is not only in a broad portfolio of excellent sweets and chocolates. The company continues to work on new product offers for customers, broadening its position on the global market, as well as to invest in production lines, increasing their capabilities.

WHY THE PICK&MIX MODULES ARE THE BEST SOLUTION FOR SPACE MANAGEMENT IN SALES BY WEIGHT?

We attract the attention of consumers, including younger ones!

- The only multi-format solution on the market – SUITABLE TO EACH STORE SIZE!
- Modern design attracts the attention of customers – INVITING THEM TO BUY THE PRODUCTS
- Modern module directly improves the perception of the store by the customers
- Possibility to create an individual mix of your favourite products – FOR A FIXED PRICE
- Self-service – THE CUSTOMERS CHOOSE THE QUANTITY AND FLAVOURS OF PRODUCTS ON THEIR OWN
- We connect the off-line world with the online world! Just scan the code!
